

Classroom Supply Fees

Cowles does not have typical classroom supply lists. Instead, CMPG collects a onetime classroom supply fee to support classrooms throughout the year!

Classroom Supply Fee Benefits

- No need for caregivers to shop for classroom items
- Supply fees go directly to classrooms & supporting programs
- Teachers purchase supplies & materials which are reimbursed with these monies

Supply Fee Cost

\$80/Cowles child (all grades)

This fee annually supports:

- Individual classroom & section-wide, Montessori-specific materials, works & curriculum not covered by DMPS
- Field trip support
- Specials, counseling, & intervention programs

Paying the supply fee helps ensure student-facing areas & programs are set up for success!

How to Pay A Supply Fee(s)

- Venmo to @CMPG6401
- Paypal to CMPGDGM@gmail.com
- Check (to “Cowles Montessori Parent Group”)

Please note student(s) full name(s) & teacher (if known) in the memo of payment method

If your family would like to chat payment plan options, reach out to treasurercmpg@gmail.com

How does this differ from the District (DMPS) Textbook Fee?

- The textbook fee is a district-requested fee, separate from any Cowles supply fund
- Payments are made on Infinite Campus, directly to DMPS
- Questions on how this fee is used can be directed to Greg Grylls (gregory.grylls@dmschools.org)
